# Big balloon will rise again at Great Park preview

Events set for 11 a.m. to 3 p.m. Saturday on old El Toro air base.

THE ORANGE COUNTY REGISTER

A preview of the Great Park will be unveiled and Lennar Corp. will showcase its vision of Main Street USA with a "Festival of Flight" on Saturday at the balloon ride site on the old El Toro air base.

The day features the opening of the first portion of a 27-acre preview park and the return of the balloon ride. Activities go from 11 a.m. to 3 p.m. For directions or information, go to [www.ocgp.org](http://www.ocgp.org).

"The idea is to give a sense of what the design, the programming and the activities of the greater park will be, but to do so at an early stage," said Chairman of the Great Park board of directors Larry Agran.
