●●●● TESTIMONIALS

"For the booming Orange County tennis community the CSI Village would provide a vital physical and competitive hub for tennis players plus an opportunity for local residents to experience the convenience of a professional sports village with the potential of a small town feel. This complex will be Orange County's mini equivalent to New York's Central Park and San Francisco's Golden Gate Park. We look forward to working with our CSI partners to help see our mutual vision become a reality for all."

—Becky Edles Rye
Executive Director

Orange County Community Tennis Association

"Cal South Soccer is happy to be involved with CSI as our mission's run parallel. We are both in the business of providing healthy & positive programming for youth through sport and in our case specifically the sport of soccer. The CSI team is an impressive collaboration of top youth sport governing bodies from across southern California and we look forward to providing top programs for the youth of Orange County, across all sports & interests."

—John Weinerth
Chief Operating Officer
Cal South Soccer

"The CSI Village is a much needed and welcomed addition to the athletic community within Orange County. The sports complex will allow Special Olympics Orange County to enhance the quality of training and competitions offered to our athletes in a variety of sports and to increase the number of participants in our programs. We are very excited to be partnering with so many of Orange County's best sports organizations on this project, and look forward to increasing athletic opportunities for all of its residents."

—Kris Drummond
Assistant Vice President, Regional Operations
Special Olympics Southern California

"The CSI Village and management team will enable my organization to serve each and every child that wants to play volleyball in my community. We have an opportunity to do something that is economically responsible for Orange County while doing what is most important....what is right for our children and families."

—George Carey
Saddleback Volleyball Club
