The Great Park Corp. announced that the Thursday, June 28, meeting is cancelled. The board will next meet on July 12.

But, the Great Park will still be in the public spotlight at the Tuesday, June 26, City Council meeting. On the council's agenda are plans to extend the lease for RVs stored at the base, ways to offset the costs of offering free balloon rides through the end of 2007, and to continue for one year a contract so Irvine's Police Department provides security for the Lennar Corp. at the old El Toro base.
